# MOVE-IN | MOVE-OUT DAYS AND HOURS

## MOVE-IN DAYS AND HOURS

Move begins on Tuesday January 23 and ends Thursday January 25.

Move-in times will be communicated to exhibitors approximately 3-4 weeks before the show. They are based on the size and location of the booth space. If you have any special requirements for the move-in of your booth, please communicate what they are ASAP to the show team. As a general rule, vehicles will not be allowed on to the show floor after some point on Wednesday afternoon. This is to allow the decorator to complete their booth set-up

Exhibitors requiring forklift service should make arrangements with the Show Decorator prior to move in. Call GEMS at 214-388-5722 x1 for verification of the rate for your particular need and any other questions. If the back-loading dock is full, you will be directed to the marshaling area to stage until room becomes available. Please see the attached map for reference.

Move-in must be completed by 8:00pm on Thursday, January 25, 2023.

Make sure to clear all trash, boxes, crates, etc. from the aisles on Thursday, January 25, 2023.

**If you need additional time, please make special arrangements with Show Management.**

If there is not a clear pathway, the exhibitor will have to wait until there is, or load via the docks and exit doors. It is unlikely that vehicles will be able to enter until later into the evening.

**We strongly encourage you to move out on Sunday night**, as Monday will see heavier traffic and more large vehicles needing facility access.

**During Move-Out everything that your company brought to the Show must be removed or disposed of after the Show. If not, there will be a charge to your company for cleanup. Any damage to the facility floor will be charged to your company.**

## BOOTH INFORMATION, RULES & REGULATIONS

Exhibit booths will have an 8' draped back wall. On each side, a draped side rail will extend from the back of the booth to the front of the booth at a height of 3'.

Drape color: **BLACK**

### Staffing Your Booth

All exhibitors are expected to be in their booths during all published show hours, as we do receive consumer complaints about un-manned displays. Our visitors pay an entrance fee and expect to be able to do business with our exhibitors at any time during show hours. If you are in violation of this rule, your company may not be permitted to exhibit with us in the future.

### Demonstrations and handouts

Exhibitors demonstrating products and/or distributing marketing materials, product samples or souvenirs are not permitted to do outside the confines of their rented exhibit area. Working in the aisle is strictly prohibited and will be enforced by show management. This includes any mascots.

**ALL FOOD SAMPLING MUST BE APPROVED BY SHOW MANAGEMENT, VENUE, & HEALTH DEPARTMENT BY COMPLETING FORMS AND PAYING MANDATORY FEES.**

### Booth Guidelines

MPE provides each inline exhibitor with a back curtain 8 feet in height, two side curtains, each 3 feet in height and an ID sign with company name and booth number. A corner booth has only back drape. An island booth, opens on all sides, does not have any pipe and drape or ID sign.

Inline booth displays, including signage, shall not exceed 8 feet in height. Signs exceeding booth height requirements must be approved by show management or exhibitor may be asked to remove. Your display may be 8 feet high for the width of your back drape (this only applies to inline spaces). On each side you will have a 3 feet high side curtain. For inline spaces, your display may remain 8 feet in height from the back wall, up to 5 feet from the aisle, or ½ the depth of your booth. For the remaining 5 feet, your display must return to the same 3 feet height of the side curtain. **No pop-up tents allowed unless in an island booth.** All flag banners must meet sight guidelines.

All unfinished portions of displays must be draped or finished to be pleasant to the public view. Show Management may require exhibitors to purchase drape if display is not finished adequately. **Your own flooring is REQUIRED** If your exhibit space is a peninsula, special restrictions may apply as indicated by your sales

representative. If Exhibitors booth is not setup by end of the move in period, show has the right to fill the space accordingly unless prior arrangements have been made with Show Manager.

**8' high x 10' wide x 3' front to back sides**

### **Microphone, Audio Equipment & Music**

Use of microphones, audio equipment and musical instruments is permitted, however, sound levels must be kept at a volume that management deems reasonable. Violators will receive one warning. If there are more problems with volume, Show Management reserves the right to prohibit the exhibitor from using sound equipment for the remainder of the show.

### **Music, Photographs & Other Copyrighted Materials**

Each exhibitor is responsible for obtaining all necessary licenses and permits to use music, photographs or other copyrighted material in exhibitor's booth or display. No exhibitor will be permitted to play, broadcast or have performed any music or use any other copyrighted material, such as photographs or other artistic works, without first presenting to Marketplace Events proof that the exhibitor has, or does not need, a license to use such music or copyrighted material. Marketplace Events reserves the right to remove from the exhibit all or any part of any booth or display which incorporates music, photographs or other copyrighted material and for which the exhibitor fails to produce proof that the exhibitor holds all required licenses. The exhibitor shall remain liable for all claims, causes of action, suits, damages, liability, expenses and costs, including reasonable attorney's fees, arising from or out of any violation of infringement (or claimed violation or infringement) by exhibitor, exhibitor's agent or employees of any patent, copyright or trade secret rights or privileges.

---

## **SECURITY**

Show Management provides security for the show floor during move-in, move-out, show hours and overnight. However, neither Show Management nor the Gas South Convention Center is responsible for lost, damaged or stolen articles. We encourage you to take all valuables with you when the show closes each evening. A tarp/sheet covering your booth after show hours goes a long way in securing your belongings.

Most thefts happen during move-in, move-out and within 30 minutes of show closing. Staff your booth accordingly and when the show does close, wait for the attendees to clear out.
