

TABLE SKIRTING INFORMATION

What is Table Skirting?

It is mandatory that all tables are properly skirted. Skirting must go from the edge of the table to the floor on all four sides. All skirting must be pressed and neat. Use of plastic tablecloths, sheets, shower curtains or any type of "makeshift" tablecloths is not permitted. We strictly enforce this and will skirt all incorrectly skirted tables at the Vendor's expense

Why do I need Table Skirting?

- Any of the box retail stores like Walmart, Target, or Costco have pieces for purchase. (Especially during back-to-school time for dorms!)
- A few vendors have purchased flooring this past year and sent me links to find foam flooring.

Where can I get table skirting?

- You can rent a piece of carpet from the show decorator, General Exposition Services. They will provide and lay the carpet for you using double-sided carpet tape. For pricing on booth sizes, please visit the section "Ordering Additional Services" in our [vendor kit](#).
- You can also bring your own flooring. It is cost-efficient to invest in flooring if you will be doing more MPE shows. Our company mandates that flooring be used in booths for all our shows.
