## Megan Golightly

When your life is simplified and decluttered, you can enjoy the small moments. Megan Golightly loves what she does and has been doing it for 14 years. She has a passion for problem solving, organizing projects big and small, and working with families to see their homes and lives transformed. Her goal is to help you feel at ease in your home and eliminate the negative feelings you may have about your clutter. It's often hard work but worth it! Megan holds a degree in Psychology and on-going study in Neuroscience peaked her curiosity on how the brain works in relation to the spaces in our homes. It's unhealthy to have nagging critical thoughts about the state of our homes. Whether or not we believe these words, our subconscious mind does. Deciding how and where to start can be paralyzing. Megan can help motivate, inspire and uncover the psychology of organizing. You can find Simplified's Instagram account full of tips, tricks, how-tos, before and afters and more!

## Bryan Baeumler

Presented by

Bryan doesn't believe he's put in an honest day's work unless he gets his hands dirty. A natural-born teacher, the Gemini-award winning host has been educating and entertaining viewers across Canada and the US since 2007 on the hit shows *Disaster DIY*, *Canada's Handyman Challenge*, *Leave it to Bryan*, *House of Bryan*, *Bryan Inc.* and most recently *Renovation Resort*. Coming soon to HGTV Canada is *Bryan's All In*, a 2-episode special event airing on Sunday, October 8th. Bryan's quick wit and easy-going personality have made him a huge hit with viewers on all of his home renovation shows.

Learning valuable tricks of the trade from his father, a meticulous aircraft engineer, Bryan spent his childhood summers building his family's cottage from the ground up. After earning a dual degree in Political Science and Business, Bryan was headed towards a career of practicing law. Realizing he'd rather be renovating than being chained to a desk, his innate passion for building took over and he traded in his tie for a tool belt and founded Baeumler Quality Construction.

A few kids and number of hit TV shows later, Bryan continues to tackle home renovation projects, be the spokesperson for numerous products and expand his growing businesses to include Baeumler Approved and Baeumler Custom Cabinetry. Having just wrapped up filming for *Island of Bryan* with wife Sarah, where viewers were able to watch them restore a small abandoned resort on South Andros Island in the Bahamas, Bryan will now take the lessons learned from *Cauerela Mar Club* and aim to help others in his new show, *Bryan's All In*. Watch the 2-episode special event Sunday, October 8th on HGTV Canada. For more information about Bryan, visit [bryanbaeumler.com](http://bryanbaeumler.com).
